The Michigan Tri-Share program is an innovative public/private partnership designed to share the cost of child care equally between **employers**, **employees** and **the state of Michigan**.

This prototype is aimed at making child care more affordable and accessible for working parents, while helping employers retain and attract employees and allows providers to secure more seats.

Benefits for Employers

- Removes the barriers to hiring the employees you need.
- Provides a desirable new benefit, improving recruitment, retention while reducing absenteeism.
- Makes a positive difference in your employees' lives.
- Flexibility to determine your commitment.

Benefits to Working Parents

- Reduces your out-of-pocket costs.
- Helps to find licensed child care providers.
- Gives you confidence your children are in good hands while you're working.
- Improves work-life balance.

Benefits to Providers

- Payments are made directly through the Tri-Share Facilitator Hub.
- Steady enrollment.
- Stabilizes your business through consistent payments.
- Helps you find new students.

The program is coordinated and administered by a staff skilled in working with businesses, nonprofits and educational institutions to support collaborative child care programming. Divided into regional Facilitator Hubs which serve as the central liaison to facilitate connections between employers, employees and providers.

Getting involved is easy!
